**W. 2/17-4/7 7:00p-8:30p \$69 \*Ewephoria 1124 1st St. South Nampa**

---

## Color Your Décor with Silk Floral Designs

Expert floral designer Dora Galan demonstrates how to create an original one-of-a kind silk flower arrangement to match any home or office decor. Varieties of silk flowers are available year-round and one never has to worry about them wilting or withering away. Floral arrangements make great gifts for family and friends. You will purchase your choice of flowers and materials following guidance from first class.

**Sa. 4/3-4/10 1:00p-4:00p \$29 \*CCC**

## Sports Photography Workshop

Pam Benham shows you how to take the best photographs of your favorite athletes - while in motion. Instruction occurs in combination lecture and on-site assignments. Bring SLR Digital camera, memory cards, batteries, notebook pen and laptop. Instructor's website: [www.benhamphotography.com](http://www.benhamphotography.com)

**Sa. 4/24 10:00a-2:00p \$35 \* NAM**

## Landscape Photography Workshop

You will soon be snapping the best photographs of your favorite landscapes. Pam Benham offers instruction in a combination lecture and on-site photo-shoot. Bring SLR Digital camera, memory cards, batteries, notebook, pen and laptop. Instructor's website: [www.benhamphotography.com](http://www.benhamphotography.com)

**Sa. 4/17 10:00a-2:00p \$35 \* NAM**

## Portrait Photography Workshop

How does one gauge the best use of natural light when taking portraits of your favorite people? Pam Benham offers instruction in a combination lecture and on-site assignments. Bring SLR digital camera, memory cards, batteries, notebook, pen and laptop. Instructor's website: [www.benhamphotography.com](http://www.benhamphotography.com)

**Sa. 4/10 10:00a-2:00p \$35 \* NAM**

## Beginning Photography Course I

Pam Benham offers this instruction with the novice in mind. Camera functions, vocabulary and step-by-step instruction will assist and encourage you to build a solid foundation in photography. You will experience challenging, creative assignments, participate in helpful group discussions and learn to operate your camera, make correct exposures, resolution choices and post digital processing programs. Bring SLR digital camera, memory cards, notebook pen and laptop.

**T. 3/2-4/6 6:00p-9:00p \$139 \*NAM**

## Beginning Photography Course II

Begin, or continue, your journey of becoming an expert photographer with Pam Benham. A review of camera functions and vocabulary occurs but instruction concentrates on thematic assignments designed to increase knowledge of technical aspects while simultaneously exploring and developing one's vision and professional attention to detail. Basic downloading, post digital processing programs and fine art and applied photography are covered in detail. Bring SLR digital camera, memory cards, batteries, notebook, pen and laptop. Be prepared to share your work in class!

**T. 4/13-5/18 6:00p-9:00p \$139 \*NAM**

---

### **Intermediate to Advanced Photography Course**

The goal of this class is to increase your technical skills. Pam Benham helps you to develop your ability to make the photographs you desire and to build a solid foundation in photo shop and photo elements. Bring SLR Digital Camera, notebook and laptop. Instructor's website: [www.benhamphotography.com](http://www.benhamphotography.com)

**M. 3/1-4/5 6:00p-9:00p \$139 \* NAM**

### **Intermediate to Advanced Photography Course II**

Pam Benham designed this class for photographers who understand how their cameras work - and basic post digital processing. You will explore through a series of assignments - the art of seeing, developing your vision, composition, lighting and digital processing programs. Bring SLR Digital Camera, notebook and laptop. Instructor's website: [www.benhamphotography.com](http://www.benhamphotography.com)

**M. 4/12-5/17 6:00p-9:00p \$139 \* NAM**
