

## STUDENT Wireless Network Connection

Students can connect to CWI wireless access points at the Nampa Campus, Canyon County Center, Boise State University, and the Ada County Campus by following the steps below.

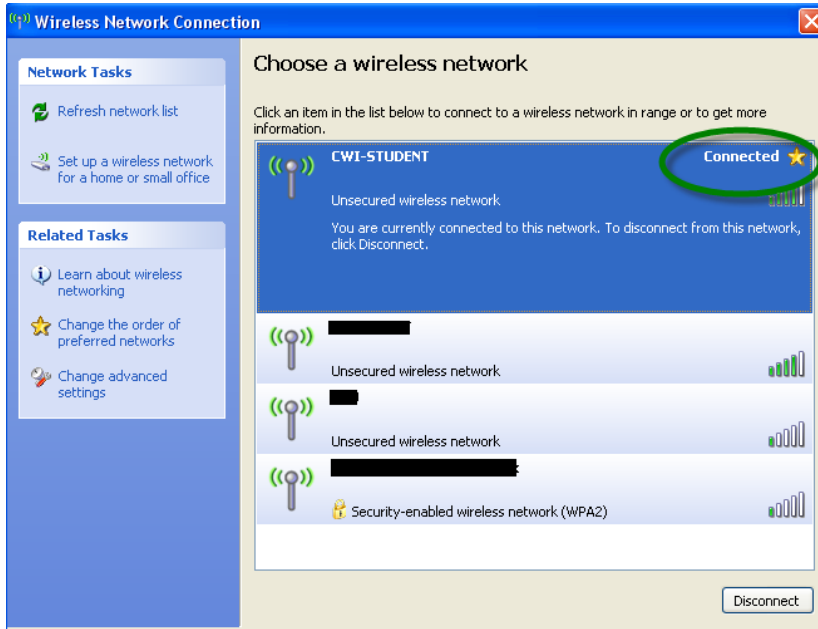

1. Right click on your WIFI icon in the system tray, either the Windows Icon or the 3<sup>rd</sup> party utility.
2. Select **“View Available Wireless Networks”** ( XP) or **“Open Network and Sharing Center -> Connect to a network”** (Windows 7).
3. Select **“Refresh network list”** if CWI-STUDENT is not present.

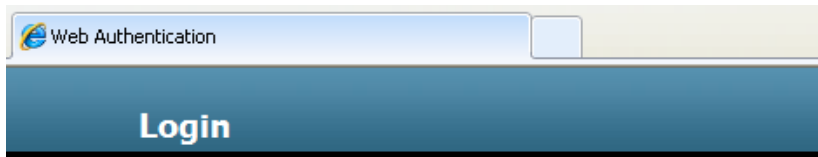

4. Highlight the CWI-STUDENT Wireless network. And select the connect button at the bottom.

5. Connection dialogue box will appear showing the connection process and then you are connected.

6. Open a web browser to Authenticate. A login screen as shown below will appear.

7. Enter your **Username and Password** to Authenticate (Same as Blackboard). After authentication, you will be at the CWI homepage and will have access.

**Notes:**

1. See page 18 of the Student handbook for details on CWI's acceptable use policy for campus computer resources.
